

AUBURN DANCE ACADEMY

REVISED COVID-19 GUIDELINES

FALL 2021

For the safety of all our students and their families, please observe the following:

In accordance with current CDC guidelines, persons who are FULLY VACCINATED do NOT need to wear a mask. Masks are REQUIRED for all adults and children who are not vaccinated.

Please continue to use hand sanitizer and maintain social distance. Hand sanitizer and disinfectant wipes are provided at the desk in the lobby. We also have hand sanitizer in the bathroom and in the studio.

Parents may now wait in the lobby while students are in class. However, we ask that you minimize the number of additional persons (siblings, etc.) who will wait with you.

If someone in your family has been exposed to Covid-19 and/or the Delta variant, please keep your student at home!

Please note that we will continue to follow CDC guidelines. If the CDC issues new guidelines, these policies will change accordingly.

Thank you for helping us keep our dance family safe!
